

Stay safe while maintaining visitor communication.

Breeze Hand Sanitizer Station with LCD

In these unprecedented times, you can just about guarantee that cleanliness and safety is top-of-the-mind for most. To ensure communication with visitors continues while encouraging hygienic behavior, Keywest Technology is introducing the **Breeze** BRZ-22HSK Series.

This hand sanitizer kiosk has a built-in 21.5" LCD and is Wifi enabled. Touch & Camera & Temperature Sensor are optional. Like all our products, the 22HSK works flawlessly with our **Breeze** digital signage software. Simply plug in the unit and connect to your network and you're ready to go.

Worried about touch? Don't be! All **Breeze** Touchscreen models are protected by **NanoShield** from Nanoveu. Kills the COVID-19 virus (many others) in a few minutes and protects continuously for 12 months

Includes One-Year of SaaS (Pro Level) tech support and hardware warranty.

**Encourages
Safe Behavior**
